

REMARKS

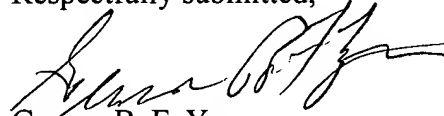

Claims 1-72 are pending.

Claims 1-13 were originally issued in U.S. Patent No. 5,806,005, for which this re-issue application has been filed. Claims 1-6 and 8-13 have not been amended in this re-issue application. Claim 7 was amended in a communication filed April 8, 2003 to correct a spelling error.

Claims 14-72 were presented during the course of prosecuting this re-issue application.

A supplemental amendment was filed February 8, 2005 to make some final amendments to the claims. In that amendment, errors were introduced in connection with the status of the claims. This communication corrects those errors and presents the claims in accordance with 37 C.F.R. Section 1.173. The claims have not been otherwise amended.

Respectfully submitted,

George B. F. Yee
